

Speakers

Jennifer Hurrell, PT, MS

Jennifer is the ACCE for the Community College of Rhode Island PTA Program. She has been actively involved in clinical education for the last 18 years and has served in the capacity of a Clinical Instructor, CCCE, and ACCE. Jennifer is a Co-Chair of the PTA Consortium of New England Clinical Faculty Development Committee and is dedicated to looking for new ways to share clinical teaching strategies with clinical faculty, and to raise awareness about ways to organize effective and mutually rewarding student programs in various clinical settings. Jennifer has independently offered other clinical education related seminars in the state of Rhode Island and has been teaching the APTA Credentialed Clinical Instructor Program since 2006.

Olga McSorley, MSPT, DPT

Olga is the DCE for the Physical Therapy Program at Franklin Pierce University in Manchester, NH. She has been involved in clinical education for 19 years, first as a clinical instructor before moving into the academic side in 2004 as an ACCE for Hesser College's PTA program. She joined Franklin Pierce University as ACCE in 2007 and became its Director of Clinical Education in 2012. Olga has been an APTA Credentialed CI since 2007 and recently became certified as a Trainer. She is very active in the New England Consortium of ACCEs' task force for the Future of Clinical Education, including presentations at the APTA Education Leadership Conference and Combined Sections Meeting, and is committed to helping clinicians share their knowledge and expertise with our next generation of professional colleagues.

Directions & Parking

St. Luke's Hospital

The White Home
101 Page Street
New Bedford, MA

Enter the St. Luke's Hospital parking garage on Taber St., then walk toward the Emergency Room. Look for The White Home which is the brick building to the left of the Emergency Room.

From Boston & points north using Routes 3/93 (SE Expressway):

- Take Routes 3/93 (Southeast Expressway) until you come to the fork.
- Take the right fork - Routes 1/93/95 and go approximately 4 miles.
- Take Exit 4 (Route 24 South; left exit) to Exit 12.
- At Exit 12, bear right onto 140 South.
- Follow 140 South to lights - follow blue Hospital signs to St. Luke's.
- Go straight through lights onto Brownell Avenue.
- Turn left at lights onto Hawthorn Street.
- Go through another set of lights - look for Page St. (about 8 blocks).
- Turn right onto Page Street.
- Go 2 blocks and turn right onto Taber St.

From Providence, R.I., and points west:

- Take Interstate 195 East to Exit 13-A (Route 140 South).
- Follow 140 South to lights - follow blue Hospital signs to St. Luke's.
- Go straight through lights onto Brownell Avenue.
- Turn left at lights onto Hawthorn Street.
- Go through another set of lights - look for Page St. (about 8 blocks).
- Turn right onto Page Street.
- Go 2 blocks and turn right onto Taber St.

Course Information

This program is recognized by the American Physical Therapy Association (APTA) as the Credentialed Clinical Instructor Program (CCIP) and is being offered by the New England PTA Consortium at St. Luke's Hospital. It takes 15 hours to complete the entire program for CI education and credentialing.

The program addresses issues of planning and preparing for physical therapy and other health profession's students during their clinical learning experiences; developing learning experience and supporting ongoing learning through questioning and effective feedback. A discussion of legal and regulatory issues associated with clinical educators is addressed, including issues presented by ADA legislation. The program closes with developing skills in identifying and managing students with exceptional performance as well as students presenting with problems.

The "Assessment Center", available only to physical therapists and physical therapist assistants, provides the participant with the opportunity to apply information from the program in simulated situations. Successful completion of each station in the Assessment Center results in the awarding of APTA CI Credentialing. The six stations of the Assessment Center have been integrated into the program schedule. Therefore, it is essential for each participant to attend all sessions of the Course and Assessment Center in its entirety.

The Program and Assessment Center will be useful for both new and experienced physical therapist and physical therapist assistant educators involved with clinical education. In addition, the Program is helpful for and available to clinical educators from nonphysical therapy providers based on a solid theoretical foundation. While the information presented covers the basic skills for clinical instructors, the interactive tasks and large & small group discussions will be of benefit even to experienced educators.

Registration Instructions

To register please complete and send:

- 1) The Participant Dossier
 - 2) The **signed** Agreement of Participation
 - 3) Copy of current PT/PTA License to practice
 - 4) Copy of current APTA Membership Card (if applicable)
